

HACK IN A BOX

Empower Your Church to Thrive

What is Hack in a Box?

A faith-filled Design Sprint to pray, brainstorm, and create **actionable solutions** for your church's growth, leadership, and unity.

How it works:

Prayer & Planning:
Align goals and challenges.

Hack In A Box Workshop:
3-6 hours of hands-on collaboration

Action Plan:
Clear, God-inspired steps to implement.

Our focus:

✔ Unite Generations

Bridge the gaps between generations to create thriving partnerships built on mentorship, collaboration, and shared purpose.

✔ Transform Communities

Develop **sustainable initiatives** that address urgent community needs and create lasting change.

✔ Equip Leaders

Equip your leaders with the **creative tools** to tackle challenges and inspire progress.

✔ Engage Youth & Professionals

Reimagine how your ministry connects with young people and working professionals to cultivate **active engagement**.

✔ Turn Faith into Action

Translate belief into **tangible impact** by helping your congregation live out their faith meaningfully every day.
